MEADOW WALK  
DENTAL PRACTICE  
Something to smile about

We have found patients who belong to our membership plan enjoy better oral health and often don't require the same level of dental treatment as those patients who don't belong to a scheme. This is because patients attend on a more regular basis which means we can focus on the prevention of dental disease and can intervene quickly to resolve any oral condition that may lead to dental or gum disease. **Dr Selvaraj Balaji, Principal Dentist**

### **Why join our Membership Plan?**

When you join our Privilege Membership plan the cost of your regular appointments are spread throughout the year so you don't have to pay at each visit. In fact, the cost works out at just a few affordable pence per day. As a Privilege Plan member you will also enjoy reductions in the cost of dental treatment when required.

Apart from access to exclusive benefits and discounts, becoming a member of Privilege Plan ensures your dental care is tailored to meet your personal needs, at intervals that your dentist or hygienist has decided are clinically necessary. This means we can help you to achieve and maintain good oral health within an affordable monthly budget for you and your family.

### **How do I join Privilege Plan?**

You simply need to see your dentist or call the practice to find out which plan is right for you and then complete the application and Direct Debit form.

### **How much does it cost?**

There is a once only £10 administration joining fee that will be added to your first monthly payment, after that there are no extra payments, just the agreed monthly amount that covers all your benefits.

### **Is my personal information safe when I join Privilege Plan?**

You can be sure that both the practice team and the administrators (Privilege Plan Ltd) take your privacy and the security of your personal information very seriously.
